*For additional information: www.twp-york.org www.michigan.gov/vote www.ewashtenaw.org/elections plus links to the State’s and County’s websites. You are responsible for updating your voter registration with any changes, call us.
Notices published: *The Milan News-Leader & The Saline Reporter.*

*Obtaining an Absentee ballot is a **two-step** process: 1) completed application to verify validity in our records; 2) issue the ballot. With the possibility of longer lines at the polls in Nov. 2012, voting absentee should be considered. One reason on the application, “*I expect to be absent on election day*” may assist with this decision. Absentee Ballot applications are generally available two months before an Election.

*If you care to be placed on our Permanent Absent Voter Application List, Please contact the Clerk’s Office for information and be advised all persons 60 years of age or older also qualify to be placed on the Permanent AV Application List.

*Election workers are always needed, especially in a General Election year – you are paid for your time and you experience the satisfaction of participating in the Election process! Please call for more information, Ext. 204 or 210.

IMPORTANT REMINDER: PHOTO ID IS NEEDED TO VOTE IN MICHIGAN
An Affidavit can be filled out at the polls

Please contact the **Building** and **Zoning** Departments, regarding **UPDATES** to the **Building Code** and **Zoning Ordinance.**

Assessing Dept. will be conducting fieldwork throughout the year – taking digital photos to up-date records.
