

York Township has several Commissions, Boards and Committees to which people are appointed by the Board of Trustees. Some of these are paid appointments, some are as volunteers. From time to time there are vacancies that need to be filled. If you would like to be considered please submit a letter of interest to the Township Supervisor. Please include all the necessary contact information as well as what Committees you might be interested in as well as any particular educational, occupational or personal experience you might have you feel would contribute to the position. There may be new committees established at some future time while the existing boards are as follows:

Zoning Board of Appeals
Construction Board of Appeals
Board of Review (property assessed valuations)
Parks and Recreation Advisory Committee
Environmental Advisory Committee
Historical Committee
