Re: Building Department permit fees increase

Last increase approved- July 12, 1994

Please be advised that as of March 1, 2004, permit fees, as approved by the York Township Board of Trustees on February 10, 2004 will be as follows:

1. Plan review- increase from 35.00 to 50.00 per plan- Exceptions-decks and any accessory structure under 400 square feet to remain at 35.00.
2. Per inspection fee- (Plumbing, Mechanical, Fireplace, Electrical, Building) increase from 50.00 to 55.00.
3. Re-inspection fee-increase from 50.00 to 55.00.
4. Residential- new home- increase on the area modifier for house only, from 60% to 68%. This will create an average increase on a 3000 square foot home of approximately 11% (117.00).
